Senator Pete Kelly
State Capitol Room 111
Juneau, AK 99801

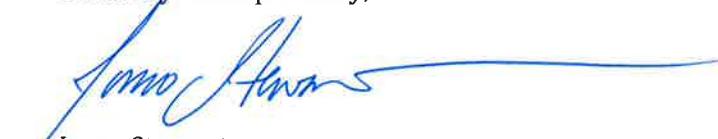

Dear Senator Kelly,

On behalf of the Interior Gas Utility (IGU), please accept this letter expressing support for Senate Bill 125 and extension of the Alaska Industrial Development and Energy Authority's (AIDEA) authorization for bond issuance in support of the Interior Energy Project (IEP) to June 30, 2023. This extension will ensure the totality of the funding tools authorized by the State in 2013 remain available to support development of critical components of the project (expanded liquefaction and distribution infrastructure) and maintains the viability of other invested and deployed state funds.

Should they remain available, the bonds authorized in 2013 in SB 23 will, in the immediate- to short-term, serve as completion funding for expanded liquefaction capacity in the Cook Inlet region and, in the longer-term, financing for expansion of the local natural gas distribution system beyond core-Fairbanks and North Pole into the more environmentally challenged and economically challenging areas of the community. These investments in increased LNG production and natural gas distribution capacity are critical to achieving an optimized total natural gas system (proper balance between liquefaction capacity, LNG storage & regasification capacity, and gas distribution & delivery capacity) and necessary to securing, for interest-bearing return, the SETS funds used in 2014/15 for the above reference infill and build-out of Fairbanks and North Pole distribution systems, and currently being deployed to construct the 5.2 million gallon LNG storage facility in Fairbanks.

The Interior Gas Utility and Fairbanks community greatly appreciate the past efforts of yourself and your colleagues in support of the Interior Energy Project and this current effort to ensure its previously-authorized funding package remains fully available. Therefore, I hope you will add myself and IGU to the list of individuals and organizations supporting SB 125 and advocating for its speedy passage.

Sincerely & Respectfully,
