FISCAL NOTE ANALYSIS

STATE OF ALASKA
2018 LEGISLATIVE SESSION

BILL NO. HB 224

Analysis

This bill will allow retired teachers who retired with a normal retirement benefit to return to participating positions in the Teachers' Retirement System (TRS) to work full or part-time and still receive their TRS benefit. Retired teachers must have a bona fide termination of employment: retirees age 62 or older are required to separate from employment for a minimum of 3 months; retirees under age 62 are required to separate from employment for 12 months.

This bill will require an actuarial analysis to determine costs to the Retiree Health Plan and the effects on future unfunded liability. Therefore, the agency submits an indeterminate fiscal note.
