Analysis

The Department's Office of Rate Review, which sets and reviews reimbursement rates for Alaska's Medicaid program, will lead the evaluation and proposal of a provider tax. The evaluation will involve significant stakeholder input that will be provided through at least three face-to-face public meetings (Juneau, Fairbanks, and Anchorage), one statewide public webinar, and numerous informal meetings with provider associations. The Office of Rate Review will develop findings that will be used to draft legislation for introduction in the 2016 session. The only fiscal impact comes from costs associated with the face-to-face meetings in Juneau and Fairbanks. This would be a one-time, estimated expenditure for staff to travel to meetings in Fairbanks and Juneau. No travel expense is necessary for the meeting in Anchorage.
