

**REPRESENTATIVE CHUCK KOPP  
DISTRICT 24  
Klatt Road – Oceanview – Southport – Bayshore**

Summary of Changes to House Bill 216 from version B to C and CS working document

- Section 3 - Clarified that the Attorney General's office can commence assisting a crime victim with collecting restitution when the victim accepts assistance or at the end of the 90-day opt-out period, whichever is earlier.
- Section 4 - Clarified language regarding the priorities for the Office of Victims' Rights when helping crime victims with restitution payments through the Restorative Justice Account.
- Section 6 - Switched priorities 3 and 4, making "organizations to provide grants for services for crime victims and domestic violence and sexual assault programs" the higher priority over "nonprofit organizations to provide grants for mental health services and substance abuse treatment for offenders". The blank CS adds percentage ranges for appropriations to each priority.
- Sections 8, 9, & 10 - Added the ability for Alaskans to donate to the crime victim compensation fund that resides within the Violent Crimes Compensation Board when applying for a permanent fund dividend.
