This amendment deletes \$210.9 UGF from the Governor's FY19 request for the expansion of the Alaska State Defense Force. Because of the limited amount of revenue for FY19 and the state's uncertain fiscal future, the legislature does not wish to use state funds to expand the Alaska State Defense Force at this time.

The Department of Military and Veterans' Affairs received an increase to their federal State Administrative Agency grant award to pay for a program manager position and its associated costs. The position was previously paid for with UGF and that funding was maintained in the Veterans' Services base budget. This amendment deletes \$100.0 of UGF for the costs that are now being covered through federal grants.
