Dear Representative Grenn,

I just wanted to write a quick email to thank you for your support of the Alaska travel and tourism industry, and, in particular, your support of the TravelAlaska Act. As a small business, our own marketing efforts are challenged and often wasted when not complemented by a strong destination marketing program. Small businesses cannot possibly commit the resources necessary to promote a destination, and without efforts to compel visitors to consider a trip to Alaska, our marketing initiatives lose ground and our businesses lose their sustainable edge. Thanks so much. Best regards, Kirk.
