Subject: HB 79

Greetings-

My name is Olin Jensen and I am an Anchorage firefighter/paramedic. I am writing to urge you to support HB 79. I have been a firefighter with Anchorage for over 17 years. It's a job I love and I'm fortunate to have it. I'm also fortunate to be enrolled in PERS Tier III. This is a privilege that so many of my fellow firefighters do not have. They do not have the security of knowing that after they have served their community, that they will be able to retire and be able to provide for themselves and their loved ones. I'm watching too many of my coworkers leave or plan to leave for states with defined benefit retirement systems. Please support HB 79 and help end this problem.

Respectfully,

Olin Jensen

Anchorage, AK
