## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2018 LEGISLATIVE SESSION

BILL NO. HB 105

### Analysis

This legislation imposes restrictions on trapping and hunting methods with the intent of reducing or eliminating the harvest of wolves in an area adjacent to the Denali National Park.

Similar regulations exist in other areas, and there is no additional cost to the department for the implementation of these restrictions through statute. The department will identify any regulations that are inconsistent with the statute, and the Board of Game will adopt, amend, and repeal existing regulations to reflect the statutory changes.

The current committee substitute no longer establishes a Special Management Area.
