

Title 4 Review: House Bill 357

Proposed in HB 357: Regulate Internet Alcohol Sales

- Alaska does not limit online sales of alcohol. Orders from out of state businesses are not subject to Alaska's alcohol excise tax, and the state cannot track how much alcohol is ordered each year.
- HB 357 would create a Winery Direct Shipment License and allow online alcohol sales only from U.S. wineries and Alaska package stores.

- Common carriers would need to be approved by the ABC board to transport and deliver alcohol to consumers throughout the state.
- Carriers must demonstrate that they have policies and train employees to properly handle shipments of alcohol.
