FISCAL NOTE ANALYSIS

STATE OF ALASKA
2018 LEGISLATIVE SESSION

BILL NO. HB 408

Analysis

HB 408 amends AS 28.35.030(o) to allow DMV to restore a driver license that has been revoked if the person has not been convicted of a driving-related criminal offense in the 10 years preceding the request for the restoration of the license. Under current statute, no conviction may have occurred since the time of revocation.

Since DMV already reviews driver license revocations, this bill will not have an additional cost to DMV; therefore, the agency submits a zero fiscal note.
