Rep. Gabrielle LeDoux, Vice Chair  
Rep. Chris Birch  
Rep. DeLena Johnson  
Rep. Gary Knopp  
Rep. Chris Tuck  
Rep. Adam Wool  
Rep. Andy Josephson, Alternate  
Rep. Chuck Kopp, Alternate

### **HB 409 — VEHICLES; ID CARD, REGISTRAT., LICENSE FEES**

#### **Sponsor Statement**

Sections of the statutes governing the Division of Motor Vehicles (DMV) have not been updated, leading to inefficiencies in the division and perpetuating indirect expenditure costs.

HB 409 streamlines the DMV statutes. It allows people the option to let DMV update their addresses based on the United States Post Office database, updates the judgement payment plan and proof of financial responsibility requirements, and raises the threshold for various insurance and accident reporting requirements to bring DMV in line with the Department of Transportation. The DMV thresholds have not been adjusted for inflation since 1985.

HB 409 also reduces the costs due to indirect expenditures by bringing the age for senior identification cards in line with senior registration and removing vehicle registration fee exemptions for amateur radio operators and municipalities. HB 409 also removes the permanent vehicle registration for vehicles that are at least eight years old. The bill generates revenue for the division by setting new costs for knowledge and road tests, which should also incentivize higher attendance and passage rates.

HB 409 streamlines existing statutes to help DMV operate more efficiently and productively.
