

Municipality of Anchorage

Ethan Berkowitz, Mayor

April 26, 2018

Honorable Gabrielle LeDoux
Alaska State Legislature
Capitol Building, Room 216
Juneau, Alaska 99801

Dear Representative LeDoux,

The Municipality of Anchorage extends its support for SB 204 and encourages passage from the House Rules committee as well as the House Floor.

This bill provides necessary and deserved recognition for the many Hmong and Lao people who fought alongside American troops during the Vietnam War. The Hmong and Lao veterans deserve the same rights and privileges as any American veteran.

Serving our country is of the highest honor and should be recognized. This bill is a positive change for the state of Alaska and I am happy to lend my support. I am eager to see this bill signed into law by the Governor so proper respect can be given to all of our Veterans who have served so valiantly.

Sincerely,

Ethan Berkowitz
Mayor

Re: Support for Senate Bill 204

Dear Legislators,

I am writing in support of Senate Bill 204, which is sponsored by retiring Sen. Dennis Egan. It helps veterans with physical limitations, by giving chiropractors the authority to sign applications for a special license plate to allow them to park in designated disable spaces.

For years, the Division of Motor Vehicles allowed chiropractors to sign disability applications, but in 2016 they were informed it was illegal. Senate Bill 204 legalizes this once again.

Senate Bill 204 was amended in committee to allow Hmong and Lao veterans to get a special designation on their state-issued ID or Driver's License. Many thousands of Hmong and Laotian soldiers fought on behalf of the United States and alongside US soldiers during the Vietnam War and the Secret War. They were promised veteran recognition by the US Government. Earlier this year federal legislation passed to give them recognition. Senate Bill 204 would give state recognition for those veterans.

Thank you for supporting Senate Bill 204, in support of our Hmong veterans and veterans with physical limitations.

Sincerely,

Hue Sue Thao

Re: Support for Senate Bill 204

Dear Legislators,

I am writing in support of Senate Bill 204, which is sponsored by retiring Sen. Dennis Egan. It helps veterans with physical limitations, by giving chiropractors the authority to sign applications for a special license plate to allow them to park in designated disable spaces.

For years, the Division of Motor Vehicles allowed chiropractors to sign disability applications, but in 2016 they were informed it was illegal. Senate Bill 204 legalizes this once again.

Senate Bill 204 was amended in committee to allow Hmong and Lao veterans to get a special designation on their state-issued ID or Driver's License. Many thousands of Hmong and Laotian soldiers fought on behalf of the United States and alongside US soldiers during the Vietnam War and the Secret War. They were promised veteran recognition by the US Government. Earlier this year federal legislation passed to give them recognition. Senate Bill 204 would give state recognition for those veterans.

Thank you for supporting Senate Bill 204, in support of our Hmong veterans and veterans with physical limitations.

Sincerely,

A large, stylized handwritten signature in black ink, consisting of a series of loops and a long horizontal stroke at the end.

Many thousands of Hmong and Laotian soldiers fought on behalf of the United States and alongside US soldiers during the Vietnam War and the Secret War. They were promised veteran recognition by the US Government. Earlier this year federal legislation passed to give them recognition. Senate Bill 204 would give state recognition for those veterans.

Thank you for supporting Senate Bill 204, in support of our Hmong veterans and veterans with physical limitations.

Sincerely,

Re: Support for Senate Bill 204

Dear Legislators,

I am writing in support of Senate Bill 204, which is sponsored by retiring Sen. Dennis Egan. It helps veterans with physical limitations, by giving chiropractors the authority to sign applications for a special license plate to allow them to park in designated disable spaces.

For years, the Division of Motor Vehicles allowed chiropractors to sign disability applications, but in 2016 they were informed it was illegal. Senate Bill 204 legalizes this once again.

Senate Bill 204 was amended in committee to allow Hmong and Lao veterans to get a special designation on their state-issued ID or Driver's License. Many thousands of Hmong and Laotian soldiers fought on behalf of the United States and alongside US soldiers during the Vietnam War and the Secret War. They were promised veteran recognition by the US Government. Earlier this year federal legislation passed to give them recognition. Senate Bill 204 would give state recognition for those veterans.

Thank you for supporting Senate Bill 204, in support of our Hmong veterans and veterans with physical limitations.

For years, the Division of Motor Vehicles allowed chiropractors to sign disability applications, but in 2016 they were informed it was illegal. Senate Bill 204 legalizes this once again.

Senate Bill 204 was amended in committee to allow Hmong and Lao veterans to get a special designation on their state-issued ID or Driver's License. Many thousands of Hmong and Laotian soldiers fought on behalf of the United States and alongside US soldiers during the Vietnam War and the Secret War. They were promised veteran recognition by the US Government. Earlier this year federal legislation passed to give them recognition. Senate Bill 204 would give state recognition for those veterans.

Thank you for supporting Senate Bill 204, in support of our Hmong veterans and veterans with physical limitations.

Sincerely,

Re: Support for Senate Bill 204

Dear Legislators,

I am writing in support of Senate Bill 204, which is sponsored by retiring Sen. Dennis Egan. It helps veterans with physical limitations, by giving chiropractors the authority to sign applications for a special license plate to allow them to park in designated disable spaces.

For years, the Division of Motor Vehicles allowed chiropractors to sign disability applications, but in 2016 they were informed it was illegal. Senate Bill 204 legalizes this once again.

Re: Support for Senate Bill 204

Dear Legislators,

I am writing in support of Senate Bill 204, which is sponsored by retiring Sen. Dennis Egan. It helps veterans with physical limitations, by giving chiropractors the authority to sign applications for a special license plate to allow them to park in designated disable spaces.

For years, the Division of Motor Vehicles allowed chiropractors to sign disability applications, but in 2016 they were informed it was illegal. Senate Bill 204 legalizes this once again.

Senate Bill 204 was amended in committee to allow Hmong and Lao veterans to get a special designation on their state-issued ID or Driver's License. Many thousands of Hmong and Laotian soldiers fought on behalf of the United States and alongside US soldiers during the Vietnam War and the Secret War. They were promised veteran recognition by the US Government. Earlier this year federal legislation passed to give them recognition. Senate Bill 204 would give state recognition for those veterans.

Thank you for supporting Senate Bill 204, in support of our Hmong veterans and veterans with physical limitations.

Sincerely,

TONG RO Lee

Re: Support for Senate Bill 204

Dear Legislators,

I am writing in support of Senate Bill 204, which is sponsored by retiring Sen. Dennis Egan. It helps veterans with physical limitations, by giving chiropractors the authority to sign applications for a special license plate to allow them to park in designated disable spaces.

For years, the Division of Motor Vehicles allowed chiropractors to sign disability applications, but in 2016 they were informed it was illegal. Senate Bill 204 legalizes this once again.

Senate Bill 204 was amended in committee to allow Hmong and Lao veterans to get a special designation on their state-issued ID or Driver's License. Many thousands of Hmong and Laotian soldiers fought on behalf of the United States and alongside US soldiers during the Vietnam War and the Secret War. They were promised veteran recognition by the US Government. Earlier this year federal legislation passed to give them recognition. Senate Bill 204 would give state recognition for those veterans.

Thank you for supporting Senate Bill 204, in support of our Hmong veterans and veterans with physical limitations.

Sincerely,

A handwritten signature in black ink, appearing to be "Kang", written in a cursive style.

Re: Support for Senate Bill 204

Dear Legislators,

I am writing in support of Senate Bill 204, which is sponsored by retiring Sen. Dennis Egan. It helps veterans with physical limitations, by giving chiropractors the authority to sign applications for a special license plate to allow them to park in designated disable spaces.

For years, the Division of Motor Vehicles allowed chiropractors to sign disability applications, but in 2016 they were informed it was illegal. Senate Bill 204 legalizes this once again.

Senate Bill 204 was amended in committee to allow Hmong and Lao veterans to get a special designation on their state-issued ID or Driver's License. Many thousands of Hmong and Laotian soldiers fought on behalf of the United States and alongside US soldiers during the Vietnam War and the Secret War. They were promised veteran recognition by the US Government. Earlier this year federal legislation passed to give them recognition. Senate Bill 204 would give state recognition for those veterans.

Thank you for supporting Senate Bill 204, in support of our Hmong veterans and veterans with physical limitations.

Sincerely,

Vang, Vhit Xiang

Senate Bill 204 was amended in committee to allow Hmong and Lao veterans to get a special designation on their state-issued ID or Driver's License. Many thousands of Hmong and Laotian soldiers fought on behalf of the United States and alongside US soldiers during the Vietnam War and the Secret War. They were promised veteran recognition by the US Government. Earlier this year federal legislation passed to give them recognition. Senate Bill 204 would give state recognition for those veterans.

Thank you for supporting Senate Bill 204, in support of our Hmong veterans and veterans with physical limitations.

Sincerely,

A handwritten signature in blue ink that reads "WASHANA XING".

Re: Support for Senate Bill 204

Dear Legislators,

I am writing in support of Senate Bill 204, which is sponsored by retiring Sen. Dennis Egan. It helps veterans with physical limitations, by giving chiropractors the authority to sign applications for a special license plate to allow them to park in designated disable spaces.

For years, the Division of Motor Vehicles allowed chiropractors to sign disability applications, but in 2016 they were informed it was illegal. Senate Bill 204 legalizes this once again.

Re: Support for Senate Bill 204

Dear Legislators,

I am writing in support of Senate Bill 204, which is sponsored by retiring Sen. Dennis Egan. It helps veterans with physical limitations, by giving chiropractors the authority to sign applications for a special license plate to allow them to park in designated disable spaces.

For years, the Division of Motor Vehicles allowed chiropractors to sign disability applications, but in 2016 they were informed it was illegal. Senate Bill 204 legalizes this once again.

Senate Bill 204 was amended in committee to allow Hmong and Lao veterans to get a special designation on their state-issued ID or Driver's License. Many thousands of Hmong and Laotian soldiers fought on behalf of the United States and alongside US soldiers during the Vietnam War and the Secret War. They were promised veteran recognition by the US Government. Earlier this year federal legislation passed to give them recognition. Senate Bill 204 would give state recognition for those veterans.

Thank you for supporting Senate Bill 204, in support of our Hmong veterans and veterans with physical limitations.

Sincerely,

Sincerely,

Hmong Alaska Community Incorporated
