Honorable Senator Anna MacKinnon  
Chair Senate Finance Committee  
State Capitol Room 516  
Juneau AK, 99801

Dear Senator MacKinnon,

I am writing today to request HB 214 (Bree's Law) be brought before the Finance Committee for a vote. As you know this bill has 100% support of the house, 14 Senators, Alaska Dept. of Education, Anchorage School District and many other stakeholders who have sent letters in support. Many Alaskans have given public testimony in support of HB 214 along with teachers and students. I have seen no documentation of stakeholders or anyone else disapproving of this legislation. To continue to hold this bill is to disenfranchise many voters and their elected officials. It is my hope that you will continue to lead and allow this bill a opportunity to become law.

Sincerely,  
Vicki L. Wallner
