Dear Legislators and Legislative Staff:

Representative David Guttenberg, Chair of Legislative Council, has sanctioned the below charitable event:

Kenai River Classic – Wednesday, August 22, 2018

Please see the attached information on the event and Representative Guttenberg's approval. Legislative Council at their February 3, 2005 meeting, granted the Chair of Legislative Council the ability to sanction charitable events under AS 24.60.080(a)(2)(B). The Chair would at the next scheduled Legislative Council meeting have the Council ratify the Chair's approval of the event(s). It will also be posted on the Intranet under Legislative Council Sanctioned Charitable Events [link](#).

Per AS 24.60.080(a)(2)(B) it allows lobbyists to give tickets to a charitable event to Legislators and legislative staff. The charity must be a 501(c)(3) corporation and the Legislative Council must give approval in advance of the gift giving. The value of the ticket counts against the annual limit on lobbyists (\$250).

Tickets from persons who are not lobbyists may exceed the \$250 gift limit. A disclosure of the value of the ticket is required within 60 days as well as gifts received at the particular charity event that have a value of \$250 or more.

Best regards,

Jessica

Kenai River **CLASSIC**

Wednesday, August 22 – Friday, August 24, 2018

The Kenai River Classic is a three-day, invitational fishing event held every year in August to raise funds and educate high-level policymakers and business leaders about our habitat-restoration and access projects, fisheries education, research and management. KRSA and community partners provide information on the region's fisheries programs and projects.

The event has raised more than \$18 million over 25 years for fisheries conservation. Most of these revenues are invested in advocating for public access that protects fish habitat, fishery-conservation and sportfishing. (We do not ask for or accept donations from public officials.)
