Budget Actions:

The House Finance Budget Subcommittee for the Department of Education and Early Development reviewed the FY2021 budget requests from the Governor and member amendments, and submits the following actions for consideration:

Governor's Budget Action Items

The subcommittee adopted 16 budget action items proposed by the Governor including:

- 1) Outsource the Federal Family Education Loan Program Servicing with an elimination of six positions and a decrement of \$586.3 in inter-agency receipts
- 2) Replace the funding source for Mount Edgecumbe Boarding School from Public School Trust Fund to General Fund
- 3) Transition the Public School Trust Fund to the language section of the appropriation bill
- 4) Add two residential programs for North Slope Borough School District and Lower Yukon School District with an increment of \$900.2 in Unrestricted General Funds

The subcommittee rejected three budget action items proposed by the Governor:

- 1) Authority for the State Board of Education to hold additional in-person meetings; a rejected increment of \$137.0 in Unrestricted General Funds
- 2) Transfer Parents as Teachers program to the Department of Health and Social Services; a rejected decrement of \$474.7 in Unrestricted General Funds
- 3) Eliminate the Online with Libraries video conferencing system; a rejected decrement of \$232.9 in Unrestricted General Funds

Wordage Intent:

The subcommittee adopted one member amendment regarding intent language:

- 1) It is the intent of the legislature that the Department of Education and Early Development evaluate cost-efficiency measures that preserve access to the Alaska Online with Libraries (OWL) Program; considering the use of alternative equipment or technologies that accommodate equitable access to the video conference system, while saving unrestricted general funds.

It is also the intent of the legislature that the Department of Education and Early Development consult with all users of the Alaska Online with Libraries (OWL) Program to evaluate implications of eliminating the video conference services. The Department of Education and Early Development shall ensure that if the Alaska Online with Libraries (OWL) Program is eliminated, then alternative equipment or technology is provided. The Department of Education and Early Development shall prepare a report summarizing the results from those consultations and the proposed cost-efficiency measures and submit the report to the Finance co-chairs, and the Legislative Finance Division on or before January 1, 2021, and notify the legislature that the report is available.

Committee Discussion:

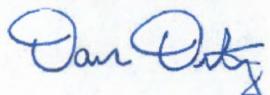

The subcommittee did not take action on this particular item, but would like to bring it to the attention of the House Finance Committee. The subcommittee is concerned about the ending of the two-year \$6 million grants for Pre-K, which served 9 communities and 812 students. Although no formal action was taken in regards to the funding, the subcommittee hopes the House Finance Committee will evaluate the importance of the \$6 million in Pre-K grants and the loss of service without it.

Attached Reports:

The House Finance Budget Subcommittee for the Department of Education and Early Development adopts the attached reports:

- Multi-year Agency Totals
- Transaction Comparison between FY20 Adj. Base and House Sub.
- Transaction Comparison between Gov. Amend and House Sub.
- Wordage Report
- Subcommittee Amendments (in form of BA Sheet)

Respectfully submitted,

Representative Dan Ortiz, Chair of House Finance DEED Subcommittee
