Sec. 7 Page 141 lines 23 & 24 REMOVE (\$2,500,000)

Funding Source:

Agency:
Department of Commerce, Community, and Economic Development

Amount:
Sec. 1 Page 69 lines 28 & 29 ADD \$2,500,000

Funding Source:
1211 Gamble Tax (UGF)

Explanation:

Sealaska Heritage Institute proposes the construction of an innovative institutional facility contributing to the survival of diversity and richness of civilization and cultures of the Tlingit, Haida, and Tsimshian. The project will be a first-rate institution for the study and education of Native cultures, preservation of historical papers and ethnographic collections, and cultivation of Native arts.

The Sealaska Heritage Institute requested \$10 million in state funding and is funded currently at \$2.5 million. This amendment will remove \$2.5 million in Gamble Tax (UGF) from the Juneau- Cruise Ship Dock Improvements project (leaving \$7.5 million) and will increase the amount to the Sealaska Heritage Institute Center by \$2.5 million in Gamble Tax (UGF). It is recommended that this project now be listed in Section 7 for bill reporting purposes.
