Alaska State Legislature

To: Senator Bert Stedman, Co-Chair, Senate Finance Committee

From: Senator Linda Menard

Re: Changes from original bill to the CS before the committee

This bill originally only addressed the issuance of National Rifle Association commemorative license plates. The committee substitute being considered added breast cancer awareness license plates with language saying a future Legislature may appropriate funds in excess of the cost to issue the plates to programs providing screening for breast and cervical cancer. The price for the breast cancer awareness plates is set at \$50.
