## Petition to Ban Abortion Marketing in Alaska Schools!

**Whereas:** The God given right to life and value of human life is a foundational American value that should be esteemed in every classroom in Alaska; and

**Whereas:** Every abortion is a gruesome act that ends an innocent human life and violates this American value and cannot be tolerated in a civilized society; and

**Whereas:** Planned Parenthood, the nation's largest abortion chain, was recently caught on video gleefully talking about selling the body parts of the pre-born babies they had mercilessly killed; and

**Whereas:** Planned Parenthood has infiltrated public schools and is using pornographic material which markets sexual promiscuity and abortion to Alaska's school kids under the guise of "Sex Education";

**Therefore:** We the undersigned call on Governor Walker and all Alaska Legislators to enact into law Senate Bills 89 & 191 and House Bills 192 & 352, the legislation to prohibit abortion marketing in public schools.

## Petition to Ban Abortion Marketing in Alaska Schools!

**Whereas:** The God given right to life and value of human life is a foundational American value that should be esteemed in every classroom in Alaska; and

**Whereas:** Every abortion is a gruesome act that ends an innocent human life and violates this American value and cannot be tolerated in a civilized society; and

**Whereas:** Planned Parenthood, the nation's largest abortion chain, was recently caught on video gleefully talking about selling the body parts of the pre-born babies they had mercilessly killed; and

**Whereas:** Planned Parenthood has infiltrated public schools and is using pornographic material which markets sexual promiscuity and abortion to Alaska's school kids under the guise of "Sex Education";

**Therefore:** We the undersigned call on Governor Walker and all Alaska Legislators to enact into law Senate Bills 89 & 191 and House Bills 192 & 352, the legislation to prohibit abortion marketing in public schools.

## Petition to Ban Abortion Marketing in Alaska Schools!

**Whereas:** The God given right to life and value of human life is a foundational American value that should be esteemed in every classroom in Alaska; and

**Whereas:** Every abortion is a gruesome act that ends an innocent human life and violates this American value and cannot be tolerated in a civilized society; and

**Whereas:** Planned Parenthood, the nation's largest abortion chain, was recently caught on video gleefully talking about selling the body parts of the pre-born babies they had mercilessly killed; and

**Whereas:** Planned Parenthood has infiltrated public schools and is using pornographic material which markets sexual promiscuity and abortion to Alaska's school kids under the guise of "Sex Education";

**Therefore:** We the undersigned call on Governor Walker and all Alaska Legislators to enact into law Senate Bills 89 & 191 and House Bills 192 & 352, the legislation to prohibit abortion marketing in public schools.

## Petition to Ban Abortion Marketing in Alaska Schools!

**Whereas:** The God given right to life and value of human life is a foundational American value that should be esteemed in every classroom in Alaska; and

**Whereas:** Every abortion is a gruesome act that ends an innocent human life and violates this American value and cannot be tolerated in a civilized society; and

**Whereas:** Planned Parenthood, the nation's largest abortion chain, was recently caught on video gleefully talking about selling the body parts of the pre-born babies they had mercilessly killed; and

**Whereas:** Planned Parenthood has infiltrated public schools and is using pornographic material which markets sexual promiscuity and abortion to Alaska's school kids under the guise of "Sex Education";

**Therefore:** We the undersigned call on Governor Walker and all Alaska Legislators to enact into law Senate Bills 89 & 191 and House Bills 192 & 352, the legislation to prohibit abortion marketing in public schools.

## Petition to Ban Abortion Marketing in Alaska Schools!

**Whereas:** The God given right to life and value of human life is a foundational American value that should be esteemed in every classroom in Alaska; and

**Whereas:** Every abortion is a gruesome act that ends an innocent human life and violates this American value and cannot be tolerated in a civilized society; and

**Whereas:** Planned Parenthood, the nation's largest abortion chain, was recently caught on video gleefully talking about selling the body parts of the pre-born babies they had mercilessly killed; and

**Whereas:** Planned Parenthood has infiltrated public schools and is using pornographic material which markets sexual promiscuity and abortion to Alaska's school kids under the guise of "Sex Education";

**Therefore:** We the undersigned call on Governor Walker and all Alaska Legislators to enact into law Senate Bills 89 & 191 and House Bills 192 & 352, the legislation to prohibit abortion marketing in public schools.

## Petition to Ban Abortion Marketing in Alaska Schools!

**Whereas:** The God given right to life and value of human life is a foundational American value that should be esteemed in every classroom in Alaska; and

**Whereas:** Every abortion is a gruesome act that ends an innocent human life and violates this American value and cannot be tolerated in a civilized society; and

**Whereas:** Planned Parenthood, the nation's largest abortion chain, was recently caught on video gleefully talking about selling the body parts of the pre-born babies they had mercilessly killed; and

**Whereas:** Planned Parenthood has infiltrated public schools and is using pornographic material which markets sexual promiscuity and abortion to Alaska's school kids under the guise of "Sex Education";

**Therefore:** We the undersigned call on Governor Walker and all Alaska Legislators to enact into law Senate Bills 89 & 191 and House Bills 192 & 352, the legislation to prohibit abortion marketing in public schools.
