Re: Sectional analysis of SB 175, the practice of naturopathy

---

Kindly note that a sectional analysis of a bill or resolution should not be considered an authoritative interpretation of the measure itself. The legislation is the best statement of its contents.

**Section 1.** Amends Sec. 08.45.050 (Restrictions on practice of naturopathy) to allow a person who practices naturopathy to give, prescribe, or recommend a medicine that is derived from or is a concentrate of or is an extract of a plant, tree, root, moss, fungus, or other natural substance if the medicine is not a controlled substance.

**Section 2.** Provides for an immediate effective date.
