## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2025 LEGISLATIVE SESSION

BILL NO. SB137

### Analysis

SB 137 extends statutory authorization for the Board of Nursing and the Board of Certified Direct-Entry Midwives to June 30, 2031. Adoption of the bill will continue existing activities by the boards and administration by the Division of Corporations, Business, and Professional Licensing. Failure to adopt the bill will result in a one-year wind down of the boards in FY2026, and the division will assume all licensing responsibility in FY2027.

If the bill passes, the following expenses will be incurred:

Travel:     \$ 29.4 Board of Nursing -- 7 board members, to attend four board meetings per year  
              \$ 5.2 Board of Certified Direct-Entry Midwives -- 5 board members to attend one meeting per year

Services:    \$ 0.8 Advertising of public notice of board meetings  
              \$ 3.0 Training and conference fees  
              \$ 0.2 Stipends for board members attending board meeting in community of residence

With this bill, activities and costs of the licensing programs will continue. Annual Board of Nursing expenditures are estimated to be approximately \$3,260.7, with revenue from license fees covering those expenses. Annual Board of Certified Direct-Entry Midwives expenditures are estimated to be approximately \$35.3, with revenue from license fees covering those expenses. Current schedules of revenues and expenditures for licensing programs are located online at <https://www.commerce.alaska.gov/web/cbpl/DivisionReports.aspx>.

If this legislation is not passed and the boards sunset, the department would continue to require access to expertise in these professions. Replacing the expertise currently provided by volunteer board members with professional service contracts may increase the annual costs of this program, resulting in increased license fees. No professional licensing board has sunset in recent years, so reasonable estimates of this cost are unknown.

*Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services, fund source 1156 Rcpt Svcs (DGF). Per AS 08.01.065, licensing fees for each occupation are set so the total amount of revenue collected approximately equals the occupation's actual regulatory costs.*
