Good Afternoon:

The State of South Dakota reported back to Rebecca Nesheim, our Supervisor/Financial Examiner the following:

- 2010: 29 companies wrote life policies over \$100,000 in premium. The total amount of premiums over \$100,000 was \$97 million
- 2014: 32 companies with a total of \$120 million.

I hope this helps.

Thanks.

Good Afternoon Director,

I was hoping if it was possible to get a copy of that email you spoke about yesterday in the Finance Committee on the status of South Dakota, I'd like to see if I can introduce it to our sponsor statement, thank you.
