*“An Act relating to the teachers' defined contribution retirement plan; relating to the public employees' defined contribution retirement plan; and providing for an effective date.”*

### **Removes Sections 2 and 5 in Version A:**

Version A changed the years of service requirements for two levels of the Retiree Major Medical Insurance premium reduction available to Medicare-eligible PERS & TRS retirees. Version N maintains the premium reduction schedule currently in statute.

Version N puts SB 198 back in line with the recommendations of the Alaska Retirement Management Board.
