Is it time for a new set of wheels? Or, maybe not a brand *spankin'* new set, but new to you and that's still exciting! Well, guess what? You've come to the right place because that's our specialty (and not like a diner's "special surprise" meal... We're talking grade "A" awesomeness here!)

What makes our auto loans so irresistible?

- No payments until 2012! We want to help you coast through the holidays with no payments for 90 days!
- Tame your payment! Our auto loan rates are crazy-low at 3.00% APR. That gives you wiggle room! Also, our loan experts will cater the terms of the loan to meet your budget and lifestyle.
- Get Green for Going Green! Save cash with our Green 1's discount by financing an eco-friendly (hybrid or 25+ mpg) current model year or newer vehicle. We'll knock off .25% from your already epicly low rate for your contribution to Mother Earth!
- Get Rewarded! All members are automatically enrolled in our FREE One for All Rewards program which gives you real rewards! For instance, you could chop your rate down an additional 1.00% (yes, that's a FULL percent)! Rewards start as low as 5,000 points for a .25% off your rate, and it stays off for the life of your loan.

Did You Just Read Me Correctly?!

Sure did! If you finance a Green 1's vehicle and redeem your points to drop your rate 1.00%, you could be sporting a full and fancy 1.25% rate discount and you'll have no payments until 2012!
