Dear Elizabeth Rexford,

My name is Andrew Freeburg. My wife, Rachel Alinsunurin, and I are independent, volunteer pet rescuers living in Unalaska/Dutch Harbor, Alaska.

I am writing to ask for your support of House Bill 258, which would offer statewide spay and neuter support throughout Alaska. Passing HB258 would help countless communities that currently have limited or no access to veterinary services. In addition to providing free or discounted spay and neuter services for domestic dogs and cats, HB258 would establish an education program on the costs of uncontrolled breeding, develop a strategy for feral domestic animals, and create long-term funding strategies.

The program would be funded through the sale of special vehicle registration plates and contributions from the Permanent Fund Dividend Pick.Click.Give. program.

Supporting HB258 is a vital act of compassion for our state's animals and communities. Thank you for your time and consideration.

Sincerely,

Andrew Freeburg & Rachel Alinsunurin
