OFFERED IN THE HOUSE

BY REPRESENTATIVE OLSON

TO: HB 114

1 Page 1, line 2, following "**cooperative**":

2 Insert "; **and allowing for an electric cooperative to assist persons in acquiring**  
3 **and installing weatherization and energy efficiency products and services**"

4  
5 Page 2, following line 27:

6 Insert a new bill section to read:

7 "**\* Sec. 2.** AS 10.25.020 is amended to read:

8 **Sec. 10.25.020. Powers of electric cooperative.** An electric cooperative may

9 (1) generate, manufacture, purchase, acquire, accumulate, and transmit  
10 electric energy, and distribute, sell, supply, and dispose of electric energy to its  
11 members, to governmental agencies and political subdivisions, and to other persons  
12 not exceeding 10 percent of the number of its members; however, a cooperative that  
13 acquires existing electric facilities may continue service to persons, not in excess of 40  
14 percent of the number of its members, who are already receiving service from these  
15 facilities without requiring them to become members, and these persons may become  
16 members upon the terms as may be prescribed in the bylaws;

17 (2) assist persons to whom electric energy is or will be supplied by the  
18 cooperative in wiring their premises and in acquiring and installing electrical and  
19 plumbing appliances, equipment, fixtures, and apparatus, **and weatherization and**  
20 **energy efficiency products and services** by financing them, and, in connection with  
21 these services, wire or have wired the premises, and buy, acquire, lease, sell,  
22 distribute, install, and repair electric and plumbing appliances, equipment, fixtures,  
23 and apparatus, **and weatherization and energy efficiency products and services**;

24 (3) assist persons to whom electric energy is or will be supplied by the

1 cooperative in constructing, equipping, maintaining, and operating electric cold  
2 storage or processing plants by financing them or otherwise;

3 (4) operate a waste heat distribution system;

4 (5) operate a heating distribution system that was in existence on  
5 June 9, 1988;

6 (6) provide sewer, water, or gas utility service if the cooperative has  
7 received a certificate of convenience and necessity under AS 42.05.221 - 42.05.281  
8 from the former Alaska Public Utilities Commission or the Regulatory Commission of  
9 Alaska for each type of service provided;

10 (7) provide direct satellite television programming services; in this  
11 paragraph, "direct satellite television programming services" means a video broadcast  
12 signal that is received directly from a satellite by an end user."  
13

14 Renumber the following bill sections accordingly.
