ANALYSIS: (Attach a separate page if necessary)

This bill moves two Department of Revenue positions, the State Comptroller in the Treasury Division and the Chief Economist in the Tax Division into the Exempt Service.

The State Comptroller is currently a partially exempt position, range 27 with a budgeted annual salary of \$111,000 and total cost of \$162,250, of which \$30,660 is GF. The most comparable positions in state corporations such as the Permanent Fund and Alaska Housing Finance are paid in the range from \$130,000-\$160,000. To be competitive and able to attract and retain staff we would expect to pay this position somewhere in that range.

The Chief Economist is currently a classified position, range 26 with a budgeted annual salary of \$90,000 and a total cost of \$130,500, all of which is GF. Competitive salaries for this position would be in the range of \$125,000-\$175,000. The Department would fund these increases costs through adjustments within each division's budget.
