## ANALYSIS: (Attach a separate page if necessary)

SB105 extends the current age limit for youth eligible to participate from 23 to 29. The impact of the age limit increase is difficult to predict. Older students could be more apt to take advantage of the opportunity for a higher education than their younger counterparts. It is estimated that each fiscal year 111 youth fit the initial eligibility requirements for this program and may be eligible to receive benefits under this program. If only 20% (22) of these youth enroll at the UA, this would equate to \$266,200 per year. A 5% inflation increase is assumed for future fiscal years.

### ANALYSIS CONTINUATION

For each student taking advantage of the Foster Youth Tuition Waiver Program, the cost in FY10 will be \$12,100. This covers tuition and mandatory fees of \$5,040 and room and board of \$7,060. Under the current agreement with the Department of Health and Social Services, Office of Children's Services (OCS), the University of Alaska annually makes available ten Foster Youth Tuition Waiver Scholarships and the OCS provides additional financial support, up to \$5,000 per academic year/per student for approved education related expenses such as; fees, books, supplies, room/board. Under this program youth are eligible until they turn 23 years of age.
