The Honorable Senator Hollis French and Members of the State of Alaska Legislature

Dear Senator French and Member of the Alaska Legislature,

On behalf of Safe Kids Alaska, I urge you to support Senate Bill 72, the proposed upgrade to Alaska's child passenger safety law. I strongly urge you to approve this legislation in its entirety during the current legislative session.

As you may know, motor vehicle crashes remain the leading cause of unintentional injury-related death among children ages 14 and under. Each year, nearly 1,600 child occupants ages 14 and under die in motor vehicle crashes and close to 228,000 are injured as occupants in motor vehicles. Unrestrained children are more likely to be injured, to suffer more severe injuries, and to die in motor vehicle crashes than children who are restrained.

We know that strong occupant protection laws that are consistently enforced are one of the best ways to prevent injuries and save children's lives. Senate Bill 72, if enacted into law, would close a significant gap in Alaska's child occupant protection law by clearly requiring some older children to ride properly restrained in a booster seat or high-weight-harness child restraint, secured by the motor vehicle's safety belt system.

If Safe Kids Alaska can be of any assistance to you regarding Senate Bill 72, please do not hesitate to contact me. Thank you for your leadership on this important safety initiative for Alaska's children!

Sincerely,

Sara L. Penisten, RN, BSNS, CPSTI
