ANALYSIS: (Attach a separate page if necessary)

This bill amends the statute relating to hand gun permits requiring Department of Public Safety to mail a notice to a permittee at least 90 days before expiration of the permit. The bill clarifies that a permittee is not required to return or surrender a permit upon expiration and a permittee may not represent an expired permit as valid unless the holder has submitted a timely renewal form. A permittee may not renew a permit if the permittee is not a resident of the state at time of renewal. This bill provides that the chief law enforcement officer in Alaska jurisdictions to execute within 30 days federal firearms forms required for the transfer of a firearm.

Enactment of the bill is not anticipated to fiscally impact the Department of Law.
