RE: SJR 22, Federal Preemption of Salmon Mgt
FAX: 465-3445 2 pages, including cover sheet

Dear Chair and Members of House Special Fisheries Committee :

Mr. Donohoe was listening to your Committee meeting this morning and wanted to testify on SJR 22. Because there was some confusion at the LIO which bill he wanted to testify on, he was unable to testify on SJR 22.

Please review his comments attached re: SJR22.

Respectfully submitted,

Committee on SJR 22, dated 2-9-10

Commercial Fishermen
cannot keep all the fish
they want. They can
choose to keep some or
all of their commercial catch
and not sell it. They
cannot keep fish when
their commercial fishery
is closed.

Signed:

Matt Donohop
