RE: SB 199 (Ellis)--Support

Dear Co-Chairs Hoffinan and Stedman:

On behalf of the members of AARP in Alaska, we would like to urge your support for SB 199 to establish a two year funding cycle for the adult dental benefit in Medicaid. The bill is sponsored by your Committee colleague, Senator Johnny Ellis, and co-sponsored by twelve other Senators including your Committee members Senators Egan, Thomas, Olson and Huggins as well as Senators Davis, French, Menard, Paskvan, Wielechowski, Kookesh, Wagoner and McGuire.

SB 199 basically changes the benefit for dentures so that an adult Medicaid beneficiary would be able to use the funds available for two years to pay for dentures. This makes sense for both the client and the provider.

Older persons in need of dentures often have accompanying nutrition problems. These nutrition problems can cause other health issues and create an overall deterioration in health status. For those who need them, dentures are essential to quality health care. Two-year funding for dentures should be considered sensible prevention with the long term possibility of saving Medicaid funds that would not need to be spent on more serious health care problems resulting from poor oral health status.

AARP recommends an "AYE" vote on SB 199.

Should you have any questions about our position, please feel free to contact me (586-3637) or Patrick Luby, AARP Advocacy Director (907-762-3314).

Thank you for your consideration.

Sincerely,
