HOUSE BILL NO. 245

IN THE LEGISLATURE OF THE STATE OF ALASKA

TWENTY-SIXTH LEGISLATURE - FIRST SESSION

BY REPRESENTATIVE THOMAS

Introduced: 4/18/09 Referred: Labor and Commerce, Finance

A BILL

FOR AN ACT ENTITLED

1 "An Act relating to licensure as an optometrist; establishing a retired status optometrist

2 license; and providing for an effective date."

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

4	* Section 1. AS 08.72.140 is amended to read:
5	Sec. 08.72.140. Qualifications for <u>licensure</u> [EXAMINATION]. <u>An</u>
6	applicant for licensure as an optometrist
7	<u>(1) shall be</u> [THE BOARD SHALL ADMIT TO THE
8	EXAMINATION A PERSON WHO FURNISHES PROOF THAT THE PERSON
9	(1) HAS HAD EDUCATION EQUIVALENT TO FOUR YEARS
10	ATTENDANCE AT A STATE HIGH SCHOOL;
11	(2) IS] a graduate of a [RECOGNIZED] school or college of
12	optometry recognized by the board ;
13	(2) may not have [(3) HAS NOT] committed an act in any jurisdiction
14	that would have constituted a violation of this chapter or regulations adopted under

1 this chapter at the time the act was committed;

2

19 (5) shall meet other qualifications for licensure as established
 20 under this chapter and regulations adopted by the board under AS 08.72.050 [TO
 21 BE ADMITTED TO THE EXAMINATION].

22 * Sec. 2. AS 08.72.160(c) is amended to read:

(c) An applicant who fails [A PORTION OF] the examination may <u>retake the</u>
 <u>examination</u> [TAKE A REEXAMINATION IN THE PORTION FAILED] upon
 payment of a [REEXAMINATION] fee established under AS 08.01.065.

26 *** Sec. 3.** AS 08.72.170 is amended to read:

Sec. 08.72.170. Licensure by credentials. The board shall issue a license by
 credentials to an applicant who

29 (1) [HAS HAD EDUCATION EQUIVALENT TO FOUR YEARS OF
30 ATTENDANCE AT A STATE HIGH SCHOOL;

31 (2)] is a graduate of a [RECOGNIZED] school or college of optometry

1	recognized by the board;
2	(2) [(3)] has passed a written examination approved by the board that
3	is designed to test the applicant's knowledge of the laws of Alaska governing the
4	practice of optometry and the regulations adopted under those laws;
5	(3) [(4)] holds a current license to practice optometry in another state
6	or territory of the United States or in a province of Canada that has licensure
7	requirements that the board determines are equivalent to those established under
8	this chapter;
9	(4) [(5)] at some time in the past, received a license to practice
10	optometry from another state or territory of the United States or from a province of
11	Canada that required the person to have passed the National Board of Examiners in
12	Optometry examination to qualify for licensure [SUCCESSFULLY COMPLETE
13	AN EXAMINATION IN OPTOMETRY];
14	(5) [(6)] was engaged in the active licensed clinical practice of
15	optometry in a state or territory of the United States or in a province of Canada for at
16	least 3,120 hours during the 36 months preceding the date of application under this
17	section;
18	(6) [(7)] has not committed an act in any jurisdiction that would have
19	constituted a violation of this chapter or regulations adopted under this chapter at the
20	time the act was committed; and
21	(7) [(8)] has not been disciplined by an optometry licensing entity in
22	another jurisdiction and is not the subject of a pending disciplinary proceeding
23	conducted by an optometry licensing entity in another jurisdiction; however, the board
24	may consider the disciplinary action and, in the board's discretion, determine if the
25	person is qualified for licensure.
26	* Sec. 4. AS 08.72.181(d) is amended to read:
27	(d) Before a license may be renewed, the licensee shall submit to the board
28	evidence that in the four years preceding the application for renewal the licensee
29	has
30	(1) completed eight hours of continuing education, approved by
31	the board, concerning the use and prescription of pharmaceutical agents;

2 the board, concerning the injection of nontopical therapeutic pharmaceutical agents; and 4 (3) met other [OF POSTGRADUATE] continuing education requirements [INSTRUCTION] as may be prescribed by regulations of the board to ensure the continued protection of the public. 7 * Sec. 5. AS 08.72 is amended by adding a new section to read: 8 Sec. 08.72.185. Retired license status. (a) On retiring from practice and on payment of an appropriate one-time fee, a licensee in good standing with the board may apply for the conversion of an active or inactive license to a retired status license. A person holding a retired status license may not practice optometry in the state. A retired status license is valid for the life of the license holder and does not require renewal. A person holding a retired status license is exempt from license renewal requirements of AS 08.72.181. 15 (b) A person with a retired status license may apply for active licensure. Before issuing an active license under this subsection, the board may require the applicant to meet reasonable criteria, as determined under regulations of the board. 8 * Sec. 6. AS 08.72.272(a) is amended to read: 19 (a) A licensee [WITH AN ENDORSEMENT ISSUED UNDER AS 08.72.175(a)] may prescribe and used for the treatment of ocular disease or conditions, or emergency anaphylaxis; 25 (b) is proscribed and used for the treatment of ocular disease or conditions, ocular disease or conditions, or emergency anaphylaxis; 26 (c) is prescribed and used for the treatment of ocular disease or conditions, ocular adnexal disease or conditions, or emergency an	1	(2) completed seven hours of continuing education, approved by
4 (3) met other [OF POSTGRADUATE] continuing education 5 requirements [INSTRUCTION] as may be prescribed by regulations of the board to 6 ensure the continued protection of the public. 7 * Sec. 5. AS 08.72 is amended by adding a new section to read: 8 Sec. 08.72.185. Retired license status. (a) On retiring from practice and on 9 payment of an appropriate one-time fee, a licensee in good standing with the board 10 may apply for the conversion of an active or inactive license to a retired status license. 11 A person holding a retired status license may not practice optometry in the state. A 12 retired status license is valid for the life of the license holder and does not require 13 renewal. A person holding a retired status license is exempt from license renewal 14 requirements of AS 08.72.181. 15 (b) A person with a retired status license may apply for active licensure. 16 Before issuing an active license under this subsection, the board may require the 17 (a) A licensee [WITH AN ENDORSEMENT ISSUED UNDER 18 * Sec. 6. AS 08.72.272(a) is amended to read: 19 (a) A licensee [WITH AN ENDORSEMENT ISSUED UNDER 20 A bis prescribed and used for the treatment of ocular disease or	2	the board, concerning the injection of nontopical therapeutic pharmaceutical
5 requirements [INSTRUCTION] as may be prescribed by regulations of the board to 6 ensure the continued protection of the public. 7 * Sec. 5. AS 08.72 is amended by adding a new section to read: 8 Sec. 08.72.185. Retired license status. (a) On retiring from practice and on 9 payment of an appropriate one-time fee, a licensee in good standing with the board 10 may apply for the conversion of an active or inactive license to a retired status license. 11 A person holding a retired status license may not practice optometry in the state. A 12 retired status license is valid for the life of the license holder and does not require 13 requirements of AS 08.72.181. 14 (b) A person with a retired status license may apply for active licensure. 16 Before issuing an active license under this subsection, the board may require the 17 applicant to meet reasonable criteria, as determined under regulations of the board. 18 * Sec. 6. AS 08.72.272(a) is amended to read: 19 (a) A licensee [WITH AN ENDORSEMENT ISSUED UNDER 20 A is prescribed and used for the treatment of ocular disease or 21 (1) the pharmaceutical agent 22 (1) the pharmaceutical agent 23 (A) is prescribe	3	agents; and
6 ensure the continued protection of the public. 7 * Sec. 5. AS 08.72 is amended by adding a new section to read: 8 Sec. 08.72.185. Retired license status. (a) On retiring from practice and on 9 payment of an appropriate one-time fee, a licensee in good standing with the board 10 may apply for the conversion of an active or inactive license to a retired status license. 11 A person holding a retired status license may not practice optometry in the state. A 12 retired status license is valid for the life of the license holder and does not require 13 renewal. A person holding a retired status license may apply for active licensure. 14 requirements of AS 08.72.181. 15 (b) A person with a retired status license may apply for active licensure. 16 Before issuing an active license under this subsection, the board may require the applicant to meet reasonable criteria, as determined under regulations of the board. 18 * Sec. 6. AS 08.72.272(a) is amended to read: 19 (a) A licensee [WITH AN ENDORSEMENT ISSUED UNDER 20 AS 08.72.175(a)] may prescribe and use a pharmaceutical agent, including a controlled substance, in the practice of optometry if 21 (1) the pharmaceutical agent 22 (2) the pharmaceutical agent 23 <t< td=""><td>4</td><td>(3) met other [OF POSTGRADUATE] continuing education</td></t<>	4	(3) met other [OF POSTGRADUATE] continuing education
 * Sec. 5. AS 08.72 is amended by adding a new section to read: Sec. 08.72.185. Retired license status. (a) On retiring from practice and on payment of an appropriate one-time fee, a licensee in good standing with the board may apply for the conversion of an active or inactive license to a retired status license. A person holding a retired status license may not practice optometry in the state. A retired status license is valid for the life of the license holder and does not require renewal. A person holding a retired status license is exempt from license renewal requirements of AS 08.72.181. (b) A person with a retired status license may apply for active licensure. Before issuing an active license under this subsection, the board may require the applicant to meet reasonable criteria, as determined under regulations of the board. * Sec. 6. AS 08.72.272(a) is amended to read: (a) A licensee [WITH AN ENDORSEMENT ISSUED UNDER AS 08.72.175(a)] may prescribe and use a pharmaceutical agent, including a controlled substance, in the practice of optometry if (b) is prescribed and used for the treatment of ocular disease or conditions, ocular adnexal disease or conditions, or emergency anaphylaxis; (B) is not a schedule IA, IIA, or VIA controlled substance; (C) is prescribed in a quantity that does not exceed four days of prescribed use if it is a controlled substance; (D) is not injected into the ocular globe of the eye; and (E) is not a derivative of clostridium botulinum; and (2) the licensee 	5	requirements [INSTRUCTION] as may be prescribed by regulations of the board to
8 Sec. 08.72.185. Retired license status. (a) On retiring from practice and on 9 payment of an appropriate one-time fee, a licensee in good standing with the board 10 may apply for the conversion of an active or inactive license to a retired status license. 11 A person holding a retired status license may not practice optometry in the state. A 12 retired status license is valid for the life of the license holder and does not require 13 renewal. A person holding a retired status license is exempt from license renewal 14 requirements of AS 08.72.181. 15 (b) A person with a retired status license may apply for active licensure. 16 Before issuing an active license under this subsection, the board may require the 17 applicant to meet reasonable criteria, as determined under regulations of the board. 18 * Sec. 6. AS 08.72.272(a) is amended to read: 19 (a) A licensee [WITH AN ENDORSEMENT ISSUED UNDER 20 AS 08.72.175(a)] may prescribe and use a pharmaceutical agent, including a 21 (1) the pharmaceutical agent 22 (1) the pharmaceutical agent 23 (A) is prescribed and used for the treatment of ocular disease or 24 conditions, ocular adnexal disease or conditions, or emergency anaphylaxis;	6	ensure the continued protection of the public.
9 payment of an appropriate one-time fee, a licensee in good standing with the board 10 may apply for the conversion of an active or inactive license to a retired status license. 11 A person holding a retired status license may not practice optometry in the state. A 12 retired status license is valid for the life of the license holder and does not require 13 renewal. A person holding a retired status license is exempt from license renewal 14 requirements of AS 08.72.181. 15 (b) A person with a retired status license may apply for active licensure. 16 Before issuing an active license under this subsection, the board may require the 17 applicant to meet reasonable criteria, as determined under regulations of the board. * Sec. 6. AS 08.72.272(a) is amended to read: (a) A licensee [WITH AN ENDORSEMENT ISSUED UNDER 20 AS 08.72.175(a)] may prescribe and use a pharmaceutical agent, including a 21 (1) the pharmaceutical agent 22 (1) the pharmaceutical agent 23 (A) is prescribed and used for the treatment of ocular disease or 24 conditions, ocular adnexal disease or conditions, or emergency anaphylaxis; 25 (B) is not a schedule IA, IIA, or VIA controlled substance; 26 (C) is prescribed in a quantity that	7	* Sec. 5. AS 08.72 is amended by adding a new section to read:
10 may apply for the conversion of an active or inactive license to a retired status license. 11 A person holding a retired status license may not practice optometry in the state. A 12 retired status license is valid for the life of the license holder and does not require 13 renewal. 	31	(A) has a physician-patient relationship, as defined by the

1	board in regulations adopted under this chapter, with the person to whom the
2	pharmaceutical agent is prescribed; and
3	(B) has on file with the department the licensee's current
4	federal Drug Enforcement Administration registration number that is valid for
5	the controlled substance prescribed or used.
6	* Sec. 7. AS 08.72.160(d), 08.72.175, 08.72.272(b), and 08.72.272(c) are repealed.
7	* Sec. 8. The uncodified law of the State of Alaska is amended by adding a new section to
8	read:
9	TRANSITIONAL PROVISIONS AFFECTING EXISTING LICENSEES. (a) A
10	license issued under AS 08.72.150 by the Board of Examiners in Optometry before the
11	effective date of this Act is valid for
12	(1) the scope of practice authorized for that license when issued; and
13	(2) the period issued.
14	(b) A licensee holding a license issued before the effective date of this Act who does
15	not have a license endorsement issued under AS 08.72.175(a), as it read on the day before the
16	effective date of this Act, may apply to the Board of Examiners in Optometry for a restricted
17	license.
18	(c) The Board of Examiners in Optometry may issue a restricted license, restricting
19	the optometrist from prescribing or using a pharmaceutical agent in the practice of optometry
20	except for use of a drug topically applied to the human eye and its appendages as permitted
21	under former AS 08.72.175(c) and former AS 08.72.272(c), to an optometrist who has a
22	license issued before the effective date of this Act and a license endorsement issued under
23	AS 08.72.175(c), as it read on the day before the effective date of this Act.
24	(d) The Board of Examiners in Optometry may issue a restricted license, restricting
25	the optometrist from prescribing or using a pharmaceutical agent in the practice of optometry,
26	to an optometrist who has a license issued before the effective date of this Act but does not
27	have a license endorsement issued before the effective date of this Act.
28	(e) A restricted license issued under (c) or (d) of this section may be renewed under
29	the same conditions that apply to other licenses issued under AS 08.72, except that
30	(1) the holder of a restricted license under (d) of this section is not required to
31	comply with the continuing education requirements of AS 08.72.181(d)(1) and (2);

1 (2) the holder of a restricted license under (c) of this section is not required to 2 comply with the continuing education requirements of AS 08.72.181(d)(2), and is only 3 required to comply with AS 08.72.181(d)(1) to the extent specified by the Board of 4 Examiners in Optometry in regulation.

5 (f) The Board of Examiners in Optometry may remove the restrictions on a license 6 issued under this section if the licensee has met the requirements of AS 08.72.140(4), as 7 added by sec. 1 of this Act.

8 * Sec. 9. The uncodified law of the State of Alaska is amended by adding a new section to
9 read:

10 REVISOR INSTRUCTION. In the section heading for AS 08.72.272, the revisor of 11 statutes shall substitute "Prescription and use of pharmaceutical agents" for "Pharmaceutical 12 agents."

13 * Sec. 10. This Act takes effect immediately under AS 01.10.070(c).
