House Bill 85

"An Act extending the termination date of the State Board of Registration for Architects, Engineers, and Land Surveyors; and providing for an effective date."

HB 85 extends the sunset date for the Board of Registration for Architects, Engineers and Land Surveyors (BRAELS) to 2017, the six year extension recommended by Legislative Audit.

BRAELS serves a public purpose and has demonstrated an ability to conduct its business in a satisfactory manner. The registration of qualified architects, engineers, land surveyors, and landscape architects benefits the public's safety and welfare.

I would appreciate your support of this legislation.
