#### House Bill 85

*"An Act extending the termination date of the State Board of Registration for Architects, Engineers, and Land Surveyors; and providing for an effective date."*

HB 85 extends the sunset date for the Board of Registration for Architects, Engineers and Land Surveyors (BRAELS) to 2017, the six year extension recommended by Legislative Audit.

BRAELS serves a public purpose and has demonstrated an ability to conduct its business in a satisfactory manner. The registration of qualified architects, engineers, land surveyors, and landscape architects benefits the public's safety and welfare.

I would appreciate your support of this legislation.
