Part-time							
Temporary							

ANALYSIS: (Attach a separate page if necessary)

Section 3 of SB 237 removes the sunset date for the existing debt reimbursement program. Anticipated increases as a result of the extension of the debt program are based on increases averaged over the prior three fiscal years. FY08-09 increased by \$2,000,000; FY 09-10 increased by \$3,000,000; and FY10-11 increased by \$6,000,000. The average of the 3 year increases are $\$11,000,000 \div 3 = \$3,666,666$. 70% of school debt payments, made by a municipality, will be reimbursed by the state if they meet state approved space guidelines. 60% of school debt payments will be reimbursed by the state if the municipality exceeds state approved space guidelines.
