

**AMENDMENT**

OFFERED IN THE HOUSE  
TO: CSSB 220(FIN)

BY REPRESENTATIVE EDGMON

Page 1, line 1, following the third occurrence of "energy":

Insert ", to energy consumption, energy costs, and energy efficiency standards for school construction and major maintenance by the Department of Education and Early Development"

Page 2, following line 6:

Insert a new bill section to read:

"\* **Sec. 2.** AS 14.07.020(a) is amended to read:

(a) The department shall

(1) exercise general supervision over the public schools of the state except the University of Alaska;

(2) study the conditions and needs of the public schools of the state, adopt or recommend plans, administer and evaluate grants to improve school performance awarded under AS 14.03.125, and adopt regulations for the improvement of the public schools;

(3) provide advisory and consultative services to all public school governing bodies and personnel;

(4) prescribe by regulation a minimum course of study for the public schools; the regulations must provide that, if a course in American Sign Language is given, the course shall be given credit as a course in a foreign language;

(5) establish, in coordination with the Department of Health and Social Services, a program for the continuing education of children who are held in detention facilities in the state during the period of detention;

1           (6) accredit those public schools that meet accreditation standards  
2 prescribed by regulation by the department; these regulations shall be adopted by the  
3 department and presented to the legislature during the first 10 days of any regular  
4 session, and become effective 45 days after presentation or at the end of the session,  
5 whichever is earlier, unless disapproved by a resolution concurred in by a majority of  
6 the members of each house;

7           (7) prescribe by regulation, after consultation with the state fire  
8 marshal and the state sanitarian, standards that will assure healthful and safe  
9 conditions in the public and private schools of the state, including a requirement of  
10 physical examinations and immunizations in pre-elementary schools; the standards for  
11 private schools may not be more stringent than those for public schools;

12           (8) exercise general supervision over pre-elementary schools that  
13 receive direct state or federal funding;

14           (9) exercise general supervision over elementary and secondary  
15 correspondence study programs offered by municipal school districts or regional  
16 educational attendance areas; the department may also offer and make available to any  
17 Alaskan through a centralized office a correspondence study program;

18           (10) accredit private schools that request accreditation and that meet  
19 accreditation standards prescribed by regulation by the department; nothing in this  
20 paragraph authorizes the department to require religious or other private schools to be  
21 licensed;

22           (11) review plans for construction of new public elementary and  
23 secondary schools and for additions to and major rehabilitation of existing public  
24 elementary and secondary schools and, in accordance with regulations adopted by the  
25 department, determine and approve the extent of eligibility for state aid of a school  
26 construction or major maintenance project; for the purposes of this paragraph, "plans"  
27 include educational specifications, schematic designs, **projected energy consumption**  
28 **and costs**, and final contract documents;

29           (12) provide educational opportunities in the areas of vocational  
30 education and training, and basic education to individuals over 16 years of age who  
31 are no longer attending school;

(13) administer the grants awarded under AS 14.11;

(14) establish, in coordination with the Department of Public Safety, a school bus driver training course;

(15) require the reporting of information relating to school disciplinary and safety programs under AS 14.33.120 and of incidents of disruptive or violent behavior;

(16) establish by regulation criteria, based on low student performance, under which the department may intervene in a school district to improve instructional practices, as described in AS 14.07.030(14) or (15); the regulations must include

(A) a notice provision that alerts the district to the deficiencies and the instructional practice changes proposed by the department;

(B) an end date for departmental intervention, as described in AS 14.07.030(14)(A) and (B) and (15), after the district demonstrates three consecutive years of improvement consisting of not less than two percent increases in student proficiency on standards-based assessments in math, reading, and writing as provided in AS 14.03.123(f)(2)(A); and

(C) a process for districts to petition the department for continuing or discontinuing the department's intervention;

(17) notify the legislative committees having jurisdiction over education before intervening in a school district under AS 14.07.030(14) or redirecting public school funding under AS 14.07.030(15);

**(18) adopt regulations that set standards for energy efficiency for school construction and major maintenance to provide energy efficiency benefits for all school locations in the state and that address energy efficiency in design and energy systems that minimize long-term energy and operating costs."**

Renumber the following bill sections accordingly.
