STATE OF ALASKA 2012 LEGISLATIVE SESSION

BILL NO. CSHB 343(HSS)

Analysis

This bill makes changes to the statutes governing the disclosure of information and records of minors involved in Child in Need of Aid or Juvenile Delinquency proceedings. These changes allow for disclosure of information needed to administer services, rehabilitation and supervision to and from state, municipal, and child placement agencies that are responsible for delinquent minors and child protection services. The Public Defender Agency does not anticipate the fiscal impact from these changes. Accordingly, the Agency submits a zero fiscal note.
