**TO:** Representative Sharon Cissna  
Attn: Mark Sabel

**FROM:** Jean M. Mischel  
Legislative Counsel

You have requested a sectional summary of the above-described bill.

As a preliminary matter, note that a sectional summary of a bill should not be considered an authoritative interpretation of the bill and the bill itself is the best statement of its contents. If you would like an interpretation of the bill as it may apply to a particular set of circumstances, please advise.

**Section 1.** Requires the Department of Health and Social Services to conduct or contract for a study of the health effects of airport security screening, including the potential for psychological trauma for some travelers and physical effects from radiologic and other techniques used.
