V.A.M.S. 302.130

302.130. Issuance of temporary instruction permit, when--requirements-- duration-- permit driver sticker or sign issued, when--rulemaking authority

1. Any person at least fifteen years of age who, except for age or lack of instruction in operating a motor vehicle, would otherwise be qualified to obtain a license pursuant to sections 302.010 to 302.340 may apply for and the director shall issue a temporary instruction permit entitling the applicant, while having such permit in the applicant's immediate possession, to drive a motor vehicle of the appropriate class upon the highways for a period of twelve months, but any such person, except when operating a motorcycle or motortricycle, must be accompanied by a licensed operator for the type of motor vehicle being operated who is actually occupying a seat beside the driver for the purpose of giving instruction in driving the motor vehicle, who is at least twenty-one years of age, and in the case of any driver under sixteen years of age, the licensed operator occupying the seat beside the driver shall be a grandparent, parent, guardian, a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the department of elementary and secondary education or a qualified instructor of a private drivers' education program who has a valid driver's license. An applicant for a temporary instruction permit shall successfully complete a vision test and a test of the applicant's ability to understand highway signs which regulate, warn or direct traffic and practical knowledge of the traffic laws of this state, pursuant to section 302.173. In addition, beginning January 1, 2007, no permit shall be granted pursuant to this subsection unless a parent or legal guardian gives written permission by signing the application and in so signing, state they, or their designee as set forth in subsection 2 of this section, will provide a minimum of forty hours of behind-the-wheel driving instruction, including a minimum of ten hours of behind-the-wheel driving instruction that occurs during the nighttime hours falling between sunset and sunrise. The forty hours of behind-the-wheel driving instruction that is completed pursuant to this subsection may include any time that the holder of an instruction permit has spent operating a motor vehicle in a driver training program taught by a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the department of elementary and secondary education or by a qualified instructor of a private drivers' education program. If the applicant for a permit is enrolled in a federal residential job training program, the instructor, as defined in subsection 5 of this section, is authorized to sign the application stating that the applicant will receive the behind-the-wheel driving instruction required by this section.

2. In the event the parent, grandparent or guardian of the person under sixteen years of

age has a physical disability which prohibits or disqualifies said parent, grandparent or guardian from being a qualified licensed operator pursuant to this section, said parent, grandparent or guardian may designate a maximum of two individuals authorized to accompany the applicant for the purpose of giving instruction in driving the motor vehicle. An authorized designee must be a licensed operator for the type of motor vehicle being operated and have attained twenty-one years of age. At least one of the designees must occupy the seat beside the applicant while giving instruction in driving the motor vehicle. The name of the authorized designees must be provided to the department of revenue by the parent, grandparent or guardian at the time of application for the temporary instruction permit. The name of each authorized designee shall be printed on the temporary instruction permit, however, the director may delay the time at which permits are printed bearing such names until the inventories of blank permits and related forms existing on August 28, 1998, are exhausted.

3. The director, upon proper application on a form prescribed by the director, in his or her discretion, may issue a restricted instruction permit effective for a school year or more restricted period to an applicant who is enrolled in a high school driver training program taught by a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the state department of elementary and secondary education even though the applicant has not reached the age of sixteen years but has passed the age of fifteen years. Such instruction permit shall entitle the applicant, when the applicant has such permit in his or her immediate possession, to operate a motor vehicle on the highways, but only when a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the state department of elementary and secondary education is occupying a seat beside the driver.

4. The director, in his or her discretion, may issue a temporary driver's permit to an applicant who is otherwise qualified for a license permitting the applicant to operate a motor vehicle while the director is completing the director's investigation and determination of all facts relative to such applicant's rights to receive a license. Such permit must be in the applicant's immediate possession while operating a motor vehicle, and it shall be invalid when the applicant's license has been issued or for good cause has been refused.

5. In the event that the applicant for a temporary instruction permit described in subsection 1 of this section is a participant in a federal residential job training program, the permittee may operate a motor vehicle accompanied by a driver training instructor who holds a valid driver education endorsement issued by the department of elementary and secondary education and a valid driver's license.

6. A person at least fifteen years of age may operate a motor vehicle as part of a driver training program taught by a driver training instructor holding a valid driver education

endorsement on a teaching certificate issued by the department of elementary and secondary education or a qualified instructor of a private drivers' education program.

7. Beginning January 1, 2003, the director shall issue with every temporary instruction permit issued pursuant to subsection 1 of this section a sticker or sign bearing the words "PERMIT DRIVER". The design and size of such sticker or sign shall be determined by the director by regulation. Every applicant issued a temporary instruction permit and sticker on or after January 1, 2003, may display or affix the sticker or sign on the rear window of the motor vehicle. Such sticker or sign may be displayed on the rear window of the motor vehicle whenever the holder of the instruction permit operates a motor vehicle during his or her temporary permit licensure period.

8. Beginning July 1, 2005, the director shall verify that an applicant for an instruction permit issued under this section is lawfully present in the United States before accepting the application. The director shall not issue an instruction permit for a period that exceeds an applicant's lawful presence in the United States. The director may establish procedures to verify the lawful presence of the applicant and establish the duration of any permit issued under this section.

9. The director may adopt rules and regulations necessary to carry out the provisions of this section.

New Jersey Statutes Annotated Currentness

39:3-13.2a. Special learner's permit; duration

a. Any person to whom a special learner's permit has been issued pursuant to section 1 of P.L.1950, c. 127 (C.39:3-13.1), upon successful completion of a State approved written examination, eye examination and an approved minimum six-hour behind-the-wheel driving course, shall be entitled to retain the special learner's permit in his own possession. The special learner's permit shall be validated by the commission for the purpose of driving a motor vehicle on a public highway in this State after the holder has successfully met the necessary examination requirements, and upon the successful

completion of a behind-the-wheel driving course. Such person may operate a motor vehicle of the class for which a basic driver's license is required except during the hours between 11:01 p.m. and 5:00 a.m. while in the company and under the supervision, from the front passenger seat, of a licensed motor vehicle driver of this State who is over 21 years of age and has been licensed to drive a passenger automobile for at least three years. Such special permit shall be valid until such person's seventeenth birthday or until he qualifies for a probationary license. Except during an instructional period of a behind-the-wheel driving course, the holder of a special permit shall operate a passenger automobile with only the following passengers: (1) the supervising passenger; (2) any parent, guardian, or dependent of the special permit holder; and (3) one additional passenger. The holder of the special learner's permit shall not use any hand-held or hands-free interactive wireless communication device, except in an emergency, while operating a moving passenger automobile on a public road or highway. "Use" shall include, but not be limited to, talking or listening on any hand-held or hands-free interactive wireless communication device or operating its keys, buttons, or other controls. All occupants of the automobile shall be secured in a properly adjusted and fastened seat belt or child restraint system.

The chief administrator shall provide the holder of a special learner's permit with two removable, transferable, highly visible, reflective decals indicating that the driver of the vehicle may be the holder of a special learner's permit. The decals shall be designed by the chief administrator, in consultation with the Division of Highway Traffic Safety in the Department of Law and Public Safety. The chief administrator may charge a fee for the decals not to exceed the actual cost of producing and distributing the decals. The decals shall be displayed in a manner prescribed by the chief administrator, in consultation with the Division of Highway Traffic Safety in the Department of Law and Public Safety, and shall be clearly visible to law enforcement officers. The holder of a special learner's permit shall not operate a vehicle unless the decals are displayed. The decal shall be removed once the driver's special learner's permit period has ended.

b. When notified by a court of competent jurisdiction that a special learner's permit holder has been convicted of a violation which causes the permit holder to accumulate more than two motor vehicle points or has been convicted of a violation of R.S.39:4-50; section 2 of P.L.1981, c. 512 (C.39:4-50.4a); P.L.1992, c. 189 (C.39:4-50.14); R.S.39:4-129; N.J.S.2C:11-5; subsection c. of N.J.S.2C:12-1; or any other motor vehicle-related law the chief administrator determines to be significant and applicable pursuant to regulation, and in addition to any other penalty that may be imposed, the chief administrator shall, without the exercise of discretion or a hearing, suspend the holder's special learner's permit for 90 days. The chief administrator shall restore the permit following the term of the permit suspension if the permit holder, regardless of age, satisfactorily completes a remedial training course of not less than four hours which may be given by the commission, a driving school licensed by the chief administrator pursuant to section 2 of P.L.1951, c. 216 (C.39:12-2), or any Statewide safety organization approved by the chief administrator. The course shall be administered pursuant to rules and regulations promulgated by the chief administrator and subject to oversight by the commission. The authority of the chief administrator to suspend, revoke, or deny

issuance of an initial or renewal license to operate a driving school or an instructor's license, and to assess fines, pursuant to P.L.1951, c. 216 (C.39:12-1 et seq.) shall apply to any violations related to the administration of a remedial training course. The permit holder shall also remit a course fee prior to the commencement of the course. If, after completion of the remedial training course, the chief administrator is notified by a court of competent jurisdiction that the special learner's permit holder has been convicted of any motor vehicle violation which results in the imposition of any motor vehicle points or has been convicted of a violation of R.S.39:4-50; section 2 of P.L.1981, c. 512 (C.39:4-50.4a); P.L.1992, c. 189 (C.39:4-50.14); R.S.39:4-129; N.J.S.2C:11-5; subsection c. of N.J.S.2C:12-1; or any other motor vehicle-related law the chief administrator deems significant and applicable pursuant to regulation, the chief administrator, without the exercise of discretion or a hearing, shall also postpone the issuance of a basic license for 90 days. When the chief administrator is notified by a court of competent jurisdiction that a special learner's permit holder has been convicted of any alcohol or drug-related offense unrelated to the operation of a motor vehicle and he is not otherwise subject to any other suspension penalty therefor, the chief administrator shall, without the exercise of discretion or a hearing, suspend the special learner's permit for six months.
