RE: Support of SB 143 Investigator – the Board of Registration for Architects, Engineers and Land Surveyors

Dear Senator Giessel,

I am a licensed Professional Landscape Architect in the State of Alaska and I am on the Board of Registration for Architects, Engineers and Land Surveyors. I am in full support of the above Statute change. In order to adequately protect public health, safety and welfare adding this position is a necessity. The present investigator is shared with so many other boards he is incapable of being proactive about enforcing existing Board statutes and regulations. Please change this shortcoming before someone is harmed.

Thank you for your attention to this urgent legislation.

Thank you,

Burdett B. Lent, PLA
