Subject: SB 179 Protection of Vulnerable Adults

Dear Representative Lynn,

Thank you for your stellar service to the people of Alaska.

I respectfully urge you to move this Bill from House State Affairs committee so that it may complete the process before the end of the session. This Bill has no fiscal note nor opposition and has received support from Public Safety, Military Affairs, Older Alaskans Commission, Mental Health Trust Authority, AARP, AgeNet, Alzheimer's Resource Agency of Alaska, and many other providers of services to vulnerable adults.

Warm regards,

Patrick M Cunningham
