RE: Support of HB 337 - Investigator – the Board of Registration for Architects, Engineers and Land Surveyors

Dear Representative Thompson,

I am a licensed Professional Landscape Architect in the State of Alaska and I am on the Board of Registration for Architects, Engineers and Land Surveyors. I am in full support of the above Statute change. In order to adequately protect public health, safety and welfare adding this position is a necessity. The present investigator is shared with so many other boards he is incapable of being proactive about enforcing existing Board statutes and regulations. Please change this shortcoming before someone is harmed.

A similar E-mail Letter was sent regarding SB 143 to Senator Cathy Geissel on February 4, 2012.

Thank you for your attention to this urgent legislation.

Sincerely,

Burdett B. Lent, PLA
