### STATE OF ALASKA 2011 LEGISLATIVE SESSION

#### BILL NO. HB 080

#### Analysis

House Bill 80 expands the places from which a person need not retreat before using deadly force in self defense to any place the person has a right to be. The Criminal Division anticipates it would need 2 new FTE attorney positions to handle the increased cases, to both screen referrals and prosecute those that are accepted. This number is based upon the referral of 1,155 cases in 2010 in which self defense was a potential justification.
