Re: Request for hearing on HB 8 (27-LS0052)\A

Please consider this as a request for you to schedule HB 8 "Federal Regulations and Executive Orders" before the House Judiciary Committee. I have included a packet of information and will be glad to provide your committee staff a .pdf version if they so desire.

HB 8 puts in place statutory language that Alaska will review and if necessary nullify federal regulations and executive orders if it is determined they are unconstitutional or improperly filed. More and more the administration is circumventing Congress and imposing its own interpretation of the rule of law. HB 8 gives us a tool to respond.

If you have any questions please feel free to contact my office.
