Subject: HB 125

I am writing to you to express my personal feelings on House Bill 125.

I am **AGAINST** moving the ABC board from the Department of Public Safety to the Department of Commerce, Community, and Economic Development.

I view this as a transparent effort from the alcohol lobby to persuade our State Legislature to take away power and effectiveness from the only entity that has oversight on them.

As you know Alcoholism and underage drinking is an epidemic in Alaska and we currently rank among the highest in regards to alcohol related crime in the nation.

I would appreciate your support in keeping the ABC board with the Department of Public Safety.

Respectfully,

Scott Carson
