Mr. Konrad Jackson

Committee Aide, House labor and commerce committee

I am writing to express my support my support for HB155. HB155 has language that in my opinion, will benefit all road service areas. Specifically raising the minimum for requiring Davis-Bacon act wages on contracts as low as 2000.00 dollars to a more reasonable figure. Please express my support for this bill.

Should you have any questions feel free to contact me.
