## FISCAL NOTE

STATE OF ALASKA  
2011 LEGISLATIVE SESSION

BILL NO. HB168 \B

### Analysis

HB 168 would amend existing Statutes to add a requirement that a party seeking a restraining order, preliminary injunction, or order vacating or staying the operation of a permit affecting an industrial operation shall provide security in an amount determined by the court for the industrial operation's costs and damages, including employees wages and benefits and payment to contractors and subcontractors.

The Department of Law anticipates zero fiscal impact.
