BILL NO. CSHB008(JUD) WM

Analysis

HB 008 would require the Attorney General file a report with the chairs of the appropriate legislative committees if the Attorney General were to find that a federal regulation or executive order (1) is unconstitutional or was not properly adopted and (2) would preempt a state law if it were constitutional and properly adopted. The Attorney General would be required to include in the report an explanation of the grounds for the finding and a written opinion that analyzes the basis for the finding.

There is no anticipated fiscal impact to Department of Law.
