FISCAL NOTE

STATE OF ALASKA 2011 LEGISLATIVE SESSION

BILL NO. CSHB088(STA) \B

Analysis

| This bill is designed to protect the rights of citizens of Alaska from the application of foreign law if the application would violate the individual's rights guaranteed by the Alaska Constitution or the United States Constitution. The Department of Law cannot estimate how many cases in which the State or State agencies might be named in which this new standard might be an issue. The new legal standard could likely involve interpretation of federal treaties and compacts and the application of those treaties on states by federal law. | | | | | | | |
