Senator Kevin Meyer, Co-Chair
Senate Education Committee
State Capitol
Juneau, AK 99801

Dear Senator Thomas:

I appreciate your committee considering SB 6, Pre-K today. I planned to call in to testify this morning, but my return to Barrow has been delayed by flight problems so I will be in flight during your hearing.

The North Slope Borough School District and Board of Education supports SB 6. Our district provides a program for both three and four year olds. This program is key to the academic success of our students. We appreciate that our program model may not fit every district, so support the voluntary aspect of this bill.

Sincerely,

Peggy Cowan
Superintendent
